

ACT-SO Total Financial Commitment

Fundraising is an essential part of the success of the ACT-SO program.

The lowest total cost of the program is \$400. This includes the \$50 registration fee and a \$350 discounted lump sum payment of Program Fees (tickets, Carson Community Days coupons, raffle tickets, and ads) if paid by 10/17 /15. However, with concerted fundraising efforts, you can recoup those dollars (except for the registration fee).

Here are a few tips to effective fundraising:

- Take time to build your prospect list.
- Start early
- Ask friends, family, teachers, and principals for a donation.
- Ask co-workers and local businesses for their support
- Every dollar makes a difference, just ASK!
